

# Transfer Scholarships

mathematics  
engineering  
technology  
astronomy  
chemistry  
science  
physics  
geology  
ecology  
biology  
botany

OPEN TO WYOMING COMMUNITY COLLEGE STUDENTS  
transferring to the University of Wyoming with declared  
majors in Science, Math, or Engineering fields.

*Students must already be accepted and enrolled at UW for Fall semester.*

Scholarship awardees are provided funds up to \$5,000 to be used for school expenses during the 2012-13 academic year. Recipients are selected based on their academic record, personal essays, long-term goals, and teacher/counselor recommendations.

Information and application materials are available at:
