Dear Professor or Counselor,

The student who has given you this letter is applying for a Wyoming NASA Space Grant Scholarship at the University of Wyoming. Scholarships will be awarded to community college transfer students who plan to major in mathematics, engineering, or one of the physical or natural sciences at the University of Wyoming beginning in the Fall semester. The recipients will be selected based on their academic record, personal essays, teacher/counselor recommendations and academic and long-term goals.

We anticipate these scholarships to be highly competitive. Please be as specific as possible as you describe in your letter what makes this student stand out from other students, and what qualities he or she has that would ensure success in college and beyond. The Wyoming NASA Space Grant Program values diversity and strongly encourages women and underrepresented minority students to apply for these scholarships.

We appreciate the time and effort you will spend on this recommendation letter and we would appreciate it if you would send your letter directly to us by e-mail to: [wsgc@uwyo.edu](mailto:wsgc@uwyo.edu). If e-mail submission is not possible, please mail your letter to:

Wyoming NASA Space Grant  
Dept. 3905  
1000 E. University Ave  
Laramie, WY 82071

Please send us your letter prior to the deadline date, which can be found at: <http://wyomingspacegrant.uwyo.edu/CCTransferScholarships.asp>. Your input is valuable to our evaluation process.

If you would like more information about our organization, please visit our website at: <http://wyomingspacegrant.uwyo.edu/>. Thank you for your time.

Sincerely,

Dr. Shawna M. McBride  
Associate Director
